- Megan Koester

IMPECCABLE MANNERS – OUR BEST MOVE!

"We have moved often, state to state and town to town and I will say **we've never had a better move.** They did a three day move from packing to loading to moving us in. The crew over three days varied some but everyone that worked with us was professional, polite and spent every minute they were paid for working. We didn't have people go missing, like we have had in the past where you have to go find them, and they were constantly working. **I didn't hear any foul language and their manners were impeccable.** Don has every reason to be very proud of his crews. We would like to give a shout out first Ron, who was the crew manager all three days, and his crew Lavonzo, Richard, Don, Calvin and Cody. On the Move gave us time to unpack the many boxes and then Ron came back and picked up all the boxes and paper.

Par Excellence these guys!!"

THE BEST MOVING EXPERIENCE I EVER HAD – ABSOLUTELY NO DAMAGE!

“On the move was **the best moving experience I have ever had**, and I have moved 3 times in Nashville. Jamie, the supervisor did a great job of setting the expectation right off the bat. He and his team were **very polite, courteous, and professional**. The whole team greeted me and shook my hand when they arrived at my home (that may seem like a little thing, but professionalism goes a long way with me). Not only did they do a great job, but I could tell they had fun and really enjoyed their work. They were highly engaged with each other and had great communication. I could tell this team had worked together for a long time. **They also worked hard to move me as quick as possible** (not trying to milk out as much time as possible).

We had just stained new hardwood floors at our new house, and they took every precaution to make sure the floors never got damaged. In my two previous moves, with other companies, I had several items that were damaged. In fact, the last time I moved I used [another moving company] and they damaged and broke so many of our things they ended reimbursing all of our costs. **On The Move didn't damage anything at all**. In fact, they even went above and beyond to load a few fragile items into our personal vehicles.

I honestly can't say enough about On the Move. This was not only the best experience I ever had with a moving company, but it was **one of the best experiences I ever had with ANY company in long time**. They made customer service a top priority and really excelled.

I highly recommend them to anybody!”

- Darren Stavely

EVEN WITH THE HEAT AND 3 FLIGHTS OF STAIRS... THEY DID AMAZING!

“I almost never write reviews but they are amazing! They moved me and my sister 2 years ago and they did so great! They were quick too. It was hot outside and we had 3 flights of stairs but they did amazing. I’m moving again next month and **I’m going to call them to do the move!**”

Great company!!”

- Tammiw Price

“On The Move recently helped with our move to our new home. They were on time, courteous and professional, and efficient. **The estimate for the time and cost was spot on and reasonable.** As sometimes happens with large vehicles in very tight spaces, our neighbor’s mailbox was damaged. “Great service on our recent move from Tennessee to Ohio! The three man crew was very professional and courteous as **they quickly and carefully loaded the truck as if they were loading their own possessions.** They even plastic wrapped our mattress and box spring at my request. THEY TOOK EXTREME CARE WITH MY MEMORIES – KIND, CARING PEOPLE

“This company is incredible. They responded immediately when I called and knew what I needed before I did. **Their team was professional and personable.** They took extreme care in packing and moving furniture without wiping out walls or the furniture. They inventoried and gave me helpful advice.

- **Troy Hayes**

ON THE MOVE WENT ABOVE AND BEYOND TO ACCOMMODATE MY CRAZY SCHEDULE

“As a realtor I get petitioned all the time by mortgage lenders, movers and anyone in the real estate field. I had teamed up with On The Move during my real estate career to provide my customers with their services. I personally have used On The Move during my personal move. It was my first time using movers. I was very pleased with their overall service and their ability to exceed my expectations. During my selling process I had to de-clutter my house to have it ready to be put on the market. **They were able to store my belongings in a temperature controlled environment** so I could stage my home during the selling process. After my home was sold, we had a unpredictable time lapse in moving into our new home and had to stay in a hotel for a couple of days until we could move into our new home. This took place around Thanksgiving which obviously added to the stress of moving into a new home. **Don was exceptional in putting my anxiety at ease** and assured me that they could accommodate us once we had the green light to move into our new place. They were able to have all of our furniture delivered the day before Thanksgiving which enabled us to enjoy our Thanksgiving holiday in our new home. I would no hesitation to recommend Don and his crew to any of my clients. Thank you Don for going above and beyond.”

- **Chris Phillips**

LESS THAN HALF MY OTHER QUOTES! COURTEOUS AND PROFESSIONAL

“I had a great experience with On The Move. After the initial contact, Don W came to my apartment to survey the scene and provide a quote for packing and moving. On the day of the move (last weekend), Don, Donny, and Michael **arrived on time and ready to go**. They were efficient with the loading process and took plenty of care to ensure my items were wrapped properly. It was a short drive to the new place and the offload took a fraction of the time to load. The men worked hard the entire day, were **courteous and professional, and ensured that the move went smoothly**. Their final price was reasonable and less than half what I was quoted by another company (whose name involves a few "family members") for the exact same service. I'd definitely use "On The Move" again and recommend them to my friends and family.”
